INDUSTRY
CONFERENCE**

CIC Wiki/Glossary Submissions

Definitions Committee

Presented by:

Chris Evans

Barry Dorn

CIC Wiki/Glossary:

Jargon which describes the terms used in the collision repair industry in the United States

20 New Wiki Submissions

- **Go to Page 20-21 in the Attendee Program**
- On October 4th CIC Definitions Committee put forward [20 New Wiki Glossary submissions](#) from the Emerging Technologies Committee, for your review prior to the meeting.
- Comments were enabled on each submission for feedback in advance with the intent for all submissions to be voted/approved for inclusion in the [Wiki Glossary of the CIC Website](#)

Audience Response Question: Approve all 20 Wiki Submissions for Publication

A. Agree

B. Disagree
